

## China unveils pollution tax

## 中国开征环保税

The Chinese government has announced the official use of taxation method as part of its nationwide attempt to fight against pollution. The first environment protection tax has taken effect from 1 January 2018, replacing the pollutant discharge fees. WTS held an “Environment Tax” seminar in Shanghai on 28 February to explain on the new policy to corporate representatives.

中国宣布正式使用税收杠杆协调全国污染问题。首个环保税于 2018 年 1 月 1 日起征收，以环保税来取代排污费。WTS 于 2 月 28 日在上海举办“环保税”研讨会，与企业代表对话及解释新政。
