

2020 was marked by the global and non-typical challenge – COVID-19. However despite of the hard times, it was the pandemic that united the whole World online.

WTS China invites you to join the online event – RUSSIAN TAX CONGRESS.

October 20, 21, 22, European, Asian and Russian tax experts will be discussing the most vital tax issues.

For the Registration of the event, please click the [link](#).

October 20 will be dedicated to the European taxation. Consultants from the Netherlands, Luxembourg and Cyprus will speak of the latest changes to the tax legislation as well as of the DAC 6/7 current state.

October 21 WTS Global representatives from China, Hong Kong, Singapore, India and UAE will join the congress with the Asian post-COVID-19 taxation review.

October 22 will deal with the Russian new taxation law as well as with tax agreements with the Netherlands, Cyprus and Luxembourg partners.
