Through resilience to recovery: navigating Asia Pacific tax and trade challenges a year into the pandemic

More than a year into the pandemic, the extent of the COVID-19 devastation reverberates across sectors and industries in the Asia Pacific region. Businesses are exposed to risks arising from disrupted supply chains, evolving tax policies and fiscal stimulus measures.

This webinar, led by experts of WTS Global and our network firms in Asia Pacific, coincides with the release of WTS Global's Through Resilience to Recovery in Asia Pacific publication which draws out the main strategic themes and major Covid-related updates relevant to international businesses. In this webinar, WTS Global experts will provide key tax and trade developments in the region and will address some of the key questions posed by senior business executives nowadays such as:
