China Tax for "Lao Wai"

The Year of Rabbit should be a rosy year: exit/entry control is removed, pandemic restrictions are relaxed, business is back to normal, and cross-border traveling is on the upswing.

For "Lao Wai" (*expatriates in China*), it is now time to ponder some brow-knitting tax questions:

- What would be the tax environment in 2023?
- Is annual tax filing (for 2022) a ritual or an opportunity?
- Is "happy hour" over for tax privileges for allowances?

Stay tuned. To register, click the red button above and rendezvous this event on China's individual income tax (IIT) issues for expatriates. Join **WTS China** to hear of the changes, impacts, and the next steps.
