## Join us

We are excited to announce our upcoming webinar on CBAM. The initial CBAM reporting phase commenced on October 1, 2023, with the first reports due by January 31, 2024. It's imperative to get better understanding of this evolving regulatory framework and its implications for businesses.

Our panel of experts will delve into the present regulatory status of CBAM, shedding light on its immediate and future impacts on companies. Furthermore, they'll introduce the **CBAM Facilitator** tool, crafted to simplify CBAM reporting for your firm. By inputting information about your suppliers into the tool and sharing the link to the CBAM form with them, you'll be on the right track towards CBAM compliance.

We invite you to join us for this insightful webinar to gain comprehensive knowledge about CBAM and discover how the CBAM Facilitator tool can assist your business in navigating the CBAM reporting process with ease.
