

Seminar recap | China-Germany Trade & Investment

24 October 2025

On 24 October 2025, WTS Villa in Munich became the site of a vibrant celebration for international business dialogue as WTS hosted the China-Germany Trade & Investment Seminar.

The event convened a diverse group of professionals to explore the evolving opportunities and challenges in the bilateral economic landscape.

Featuring expert insights from both WTS China and Germany, including managing partner Mr. Martin Ng, Ms. Maggie Han and five other distinguished tax partners, the seminar provided the attendees with actionable strategies to navigate the complex regulatory and investment environments in both markets.

The event, expertly organized by the WTS Germany's China Desk team under Mr. Martin Loibl, underscores WTS's position to promote trade and investment in China and Germany.

The seminar succeeded in its core mission: to equip attendees with a clear-eyed view of the China-Germany economic relationship. Through frank discussions, the sessions unpacked key developments, challenges, and most importantly, tangible opportunities in cross-border trade and taxation.

Vibrant discussions from the participants has underscored the need for dialogues and practical strategies for successful ventures in both markets.

The seminar has covered the following topics in China and Germany:

- Trade war-related legislation adjustments and supply chain shifts;
- An overview of the EU trade defense tools;
- VAT rules on cross-border goods and services; and
- Transfer pricing scrutiny and risk management.

A heartfelt gratitude goes to the incredible speakers, insightful participants, and phenomenal support from WTS Germany.
