

Warmest Congratulation to UBIQUE first China office

23 Sept. 2026

► Shanghai ◀

WTS China extends its warmest congratulations on the inauguration of UBIQUE's first China office in Shanghai on 23 September 2026. UBIQUE is a cloud-driven automation platform developed by TTTech Digital Solutions, a member of the TTTech Group headquartered in Vienna, Austria. The platform unites IT and OT, offering sub-millisecond real-time motion control, cyber-security, safety, services. UBIQUE Asia Co., Ltd. was registered in Shanghai in early 2026, with its office located in Minhang District. WTS China is honoured to welcome UBIQUE's first China office and looks forward to witnessing the company's growth in the Chinese market.
