

## Withholding taxes on cross-border transactions

As the level of cross-border activities in Asia Pacific picks up, businesses need to balance optimism and agility in navigating risks across the region's challenging withholding tax landscape

This webinar led by experts of WTS Global and our network firms in Asia Pacific will provide key trends and regulatory developments on cross-border withholding taxes. WTS Global experts will share practical insights to address key issues arising from:

- » Jurisdiction-specific withholding taxes
- » Jurisdiction specific interpretations of activities as services vs. royalties?
- » Implications on withholding taxes from constituting a PE?

This month's topic is highly relevant to C-suite executives and Finance and Tax professionals with interests or responsibilities in Asia and globally.

### **About WTS Global**

With representation in over 100 countries, WTS Global has already grown to a leadership position as a global tax practice offering the full range of tax services and aspires to become the preeminent non-audit tax practice worldwide. WTS Global deliberately refrains from conducting annual audits in order to avoid any conflicts of interest and to be the long-term trusted advisor for its international clients. Clients of WTS Global include multinational companies, international mid-size companies as well as private clients and family offices.
