

## Global Mobility Summit hailed in Strasbourg

**WTS** wrapped up her annual two-day “Global Mobility Summit” in Strasbourg, France on 21 September, co-hosted by WTS Global and her France-based member firm, Fidal.

The summit saw an active participation of forty-three executive representatives from WTS’s member firms and clients from all continents.

Representing WTS China, Ms. Ened Du, tax associate partner, has also attended as a panelist and delivered a speech at the summit.

The summit has covered the following hot topics:

- Developments of Europe’s social security coordination laws;
- Cross-border remote work in Europe and worldwide, and its impact on taxation, social security and other legal aspects;
- Country overview and WTS’s digital solutions;
- WTS’s success stories and tools for global mobility

The summit has provided a unique opportunity for attendees to engage in deep-dived discussions on topics with seismic impacts on global mobility.

Find out more by downloading WTS’s global mobility PDF publications at this [link](#), covering the following:

- Assignments to Asia Pacific;
- Assignments to Americas; and
- Assignments to Europe.
