

The new challenges of international customs 13 Sept. 2024 | Marseille, France

The new challenges of international customs in Marseille

Join us

We are very pleased to share with you the invitation for the upcoming conference “**The new challenges of international customs**”, that will be held on **September 13, 2024** in **Marseille, France**.

The event will provide a unique platform to meet and network with peers from the legal and business communities, including French and foreign lawyers, as well as representatives and executives of international companies.

It will offer a variety of contributions designed to enhance your knowledge and skills in Customs law and practice.

Highlights of the conference include:

- Keynote addresses by distinguished speakers from European countries, the United States and China;
- Interactive panel discussions on current issues such as data protection, traceability of flows, environmental protection;
- Networking opportunities to connect with professionals and peers.

Looking forward to seeing you!
