

## Recap | Seminar on Tax Practice of Non-residents

2 September 2024

As China continues to deepen its opening-up to the outside world, more and more overseas teams come to China to provide technical support or send foreign employees to work in China. However, these business transactions may be recognized as Permanent Establishments (PEs).

Faced with the potential PE, WTS China ran a seasoned seminar with CCH, on the topic of “Sharing on Tax Practice of Non-residents” on 31 August 2024 in Shanghai.

This seminar was spoken by three WTS China representatives: Maggie Han, partner; Sissi Shen, manager; and Yiming Chen, consultant.

The seminar has discussed a variety of subjects, which include the following topics:

- Permanent Establishment;
- Expatriate dispatch;
- Tax risks under non-trade foreign exchange payments.
