2024 is a challenging year for many corporate tax specialists, some of whom have received a tax audit or tax self-inspection notice, even more than once. Benefiting from an updated tax collection system and sophisticated teams, China's tax authorities are becoming more and more efficient in tax audits. How to control the tax risk has become the most important subject for tax specialists.

In this event, we will discuss the current hot issues of tax audits, and share our experience in the tax risk management and response:

- Hot issues of tax audit in 2024
- Tax risks that are easily overlooked in daily tax filings and suggestions
- Skills on how to respond to tax audits

Event agenda:

- 2:00 - 2:30 Registration
- 2:30 - 2:40 Opening Speech
- 2:40 - 4:00 Presentation
- 4:00 - 4:30 Q&A
